

CLIENT SUCCESS STORY

Elevating Efficiency:

How Our Streamlined Recruitment Process Outsourcing Drove Rapid Team Expansion

Comrise RPO Staffing Solutions

With a global scale, we have always focused on the research of human capital management and continue to innovate in providing customers with a one-stop, full-process, customized RPO service solution including:

- Talent Consulting
- Recruitment Optimization
- Integration
- Improved Talent Structure

The Client Background

- Fortune 500 company renowned for pioneering hardware and software innovations
- 35+ locations across the globe
- 10,000+ employees

Pain Points

- Limited access to a diverse talent pool across different regions and markets
- Fluctuations in hiring needs and limited scalability across 11 major clients
- Lack of knowledge and tools for end-to-end recruitment across various key industries

Our Solutions

- Partnered with stakeholders to tackle distinct obstacles and synchronize recruitment objectives among its key clients.
- Established a comprehensive recruitment process to meet hiring requirements from start to finish.
- Deployed our talent solutions team to fulfill positions spanning the US, Philippines, APAC, India, Malaysia, and EMEA regions.
